Mr. Lane:

I am enclosing $10.20 in cash for
two copies of "Whitewash" - the report
on the Warren Report"

Many of my friends have been
reading the truth about the assassination.
A friend of mine saw your performance
on television and we wondered when to
purchase the book. By coincidence
he stopped over at one of the airterminals
and saw your copy, Whitewash.

I would appreciate prompt
service that same can be placed in
immediate circulation.

Yours
